THE PECK FAMILY

by William Greer Peck, 5705 Rosario, Atascadero, California 93422.

The author begins by pointing out that there are two different lines of Pecks that were pioneers to America--the English Pecks from London and the German Pecks from Ebingen, Germany. This book deals with the German line.

The author depicts each ancestor in short biographical sketches giving dates of birth, death, marriage, etc. so other researchers may trace their own lines thru those listed. The sketches begin with Hans Beck born in 1513. He died of bubonic plague March 13, 1593.

The first Peck to come to America was Johann Jakob Beck Jr. born July 7, 1723. He died in Virginia in 1800. He changed his name from Beck to Peck to eliminate the confusion caused by the German pronunciation of Beck to sound like Peck in English.

The line is carried thru David S. Peck who came to Tennessee about 1837. He died in Davidson Co., Tenn. in 1843. After his death his wife moved with her children to Robertson Co.

Related families also included in this book are Balthrop, Crutcher, Goetz, Greer, Head and Rosson. Descendants of these families are brought down to the present generations. Descendants are found not only here in Montgomery Co., Robertson Co., and near by areas, but are scattered from California to Florida.

The book contains a full name index and many pictures of the families.

This 170 page book is a bargain at \$15.00. A researcher would have to spend this much, if not much more, on postage alone, not to mention the untold hours of work, to amass the information contained in this volume. Mr. Peck should be commended for doing such an excellent job.

THE RIVER COUNTIES, Jill K. Garrett, Editor, 610 Terrace Dr., Columbia, Tenn. 38401. Quarterly, \$5.00 annually. At present running newspaper abstracts on Montgomery Co., 1820 Census Humphries Co., Other data on Stewart Co., Houston, Dickson, Hickman, Perry, Lewis and Wayne Cos.

The old Herring cemetery is on the farm of James Walker on the Trenton Rd. All of the stones are gone except two small field stones. Only these small stones and two very old cedar trees are left to guard this spot. Mr. Willie Herring of Waco, Texas told me that in 1955 there were some twelve graves there and the markers were all piled up in a heap on the edge of the cemetery.

One of the children of Benjamin Herring was Ann who married Henry Jefferson Davis. They are buried in the church cemetery at Little Hope Baptist Church in District 11. Ann S. Davis Jan 24, 1818--Sept 25, 1890, wife of Jefferson Davis. Henry J. Davis - Sept 20, 1813 - Dec 24, 1868. There were twelve children born to this marriage, the parents making fourteen in the family. On their stone is a chain with fourteen links and each link is broken. As each member of the family died, a link in the chain was broken. (We saw that the links were broken and the descendants told me the story)
