in the  
Revolutionary War and War of 1812  
by Anita Whitefield Darnell

THEOPHELUS WILLIAMS - Revolutionary War.

The Hon'ble the Legislature of Tennessee.

The petition of Daniel Williams of Montgomery County humbly sheweth--- That a Land warrant issued to the Heirs of his father Theophilus Williams for 1096 acres of land for his services as an officer in the Revolutionary War--That said warrant was sent to this country whilst he was a minor--that a location was subsequently made in the office at Nashville in the name of Daniel Williams, heir of Theophilus Williams --Upon application for a grant it was refused upon two grounds--viz because there was a variance as above stated between the warrant and the entry--& because there were other heirs viz five sisters of said Daniel now living.

Your petitioner therefore prays that a law may be passed authorising a grant to issue to the Heirs of Theophilus Williams agreeably to the entry made in the name of the said Daniel Williams heir of Theophilus Williams--and your petitioner shall forever pray, etc.

Dr. Braswell has done a masterful job of collecting Braswell information. He has brought some of the descendants of Richard Braswell of London and his son, Robert b. 1612, Isle of Wright, Va. to the present generations. He has a collection of lineages from various parts of the country. His text is easy to read and well sprinkled with dates and places. A visual chart further simplifies the family genealogy. Documentation is substantiated in many cases by wills, Bible records, census records, tax lists which are included in the book. There is, for instance, a Tabulation of All Breazeales, Brawsells, and Brazils who Appear on the indexes of Microfilm Records in the National Archives in Washington, D. C. (This includes Revolutionary War, War of 1812, Indian Wars, and Mexican War). Also included are these names on the 1790 Census of North Carolina, 1830 Census of Georgia, 1840 Census of Tennessee and the 1880 Soundex Index for Tennessee and Texas.

MINOR, SCALES, COTTRELL, AND GRAY FAMILIES OF VIRGINIA, NORTH CAROLINA, AND MISSISSIPPI compiled and edited by Martha Neville Lumpkin. Published by Ben Gray Lumpkin, Route 3, Box 391, Clarksville, Tenn. 37040. 133 pages, 8½ x 11, Soft Cover, Off Set printing. \$8.00.

This is one of the most delightful family histories I have ever read. The biographical sketches are full of happy memories and anecdotes as well as genealogical data. Family group sheets for each branch are a great help in keeping everyone in his proper place. Military Records, letters, pictures and other documentations add further to this well done book. As an extra help it is punched for a three ring binder which enables a descendant to add his line or additional information in its proper place.

Dr. Lumpkin has also published two more books:

LUMPKIN FAMILY OF VIRGINIA, GEORGIA, AND MISSISSIPPI 1973, 150 pp., 14 pictures. \$8.00. This book is also punched for a three ring binder.

and

DEAR DARLING LOULIE, 1972 Reprint, 165 pp., 8½ x 11 soft cover. \$8.00.

Letters written during the Civil War (1861-1865) by Cordelia Lewis Scales, a teenager in Marshall County, Mississippi. Pictures of her and her brother, Dabney Minor Scales, who served on the Confederate ship Shenandoah.

Both of the above books were compiled and edited by Martha Neville Lumpkin who was secretary in the Mississippi State Department of Archives and History during 1929 and 1930.

ADAIR COUNTY, KENTUCKY CENSUS OF 1810 compiled by Don Simmons, 1397 Johnson Blvd., Murray, Kentucky. 42071. 22 pages plus index. 8½ x 11 soft binding. \$2.00

ADAIR CO., KY. TAX LIST 1810 has also been compiled by Mr. Simmons. He has compared the 1810 Census and the 1810 Tax list name by name and noted in each book the names which appear on each list that do not appear on the other. For best results in research, Mr. Simmons suggests using both lists. As an added research tool in the Tax book a map has been included showing the 44 watersheds of Adair Co. and adjoining counties. 26 pages, 8½ x 11, soft binding. \$3.00. Order from Mr. Simmons at the above address.

LIVINGSTON COUNTY, KY. CENSUS OF 1810 compiled by Don Simmons, 1397 Johnson Blvd., Murray, Ky. 42071. 8½x11, soft binding, indexed. \$2.00.

Many families who came into the Middle Tennessee area are found in this book.
