THE CLARKSVILLE FEMALE ACADEMY.

The object of the Board of Trustees in establishing this Institution is to afford a source of instruction adequate to the demands of the growing and prosperous section of country in which it is situated; and it is a source of profound gratification to its President and friends that not only the community, but portions of the surrounding States, have shown their appreciation of its merits in a most liberal patronage.

To accomplish this highly important object, large and taste-fully constructed buildings have been erected, including an elegant and commodious Boarding-House, capable of accommodating more than one hundred Young Ladies. The entire Buildings are fully supplied in every particular and department with the most appropriate and costly furniture, so as to engender a taste for order, neatness, and refinement, and at the same time afford the highest degree of

comfort. All the rooms and sleeping-apartments are amply provided with fine carpets, good beds, mirrors, tables, chairs, wardrobes, washstands, and, in a word, with every thing calculated to produce social and domestic pleasures similar to those received at home. In addition, the rooms are thoroughly ventilated, and the entire establishment is furnished with speaking-tubes, bells, and other modern improvements. Trustworthy servants, such as Cooks, Washers, Chambermaids, Dining-room Servants, etc., are constantly in attendance to meet with promptness every demand of the House. The strictest attention is paid to cleanliness, order, and neatness; and every effort is made to correct habits of carelessness or indolence on the part of the Young Ladies. Finally, agreeable and experienced Matrons of the first order of respectability have been employed to superintend the general interests of the Boarding Department; consequently, Parents or Guardians who have daughters or wards to educate may rest assured, in placing them under our care, that no pains will be spared to administer to their wants, guard their health, protect their morals, and cultivate their minds and manners.

LOCATION.

Clarksville, as a location, possesses superior advantages for the establishment and permanent maintenance of schools of the highest grade. The City and County are pre-eminently healthy, the location picturesque and beautiful; and the entire surrounding community highly Intelligent, Moral, and Religious. One prominent feature of our City, and to which we would direct the special attention of Parents and Guardians, is the excellence of its Society.

This single fact is a sufficient recommendation in itself, as Young Ladies are completely shielded from all improper associations, and if necessarily thrown into Society here, it will only be with the most elegant, polite, and refined.

Clarksville is also easily accessible at all times of the year; situated on the right bank of the Cumberland River, which is navigable for the first-class steamers nearly during the entire year, and will, in a few months, possess the advantages of Railroad Communication with Nashville, Paris, Louisville, Memphis, and other important points; besides, the roads, at all times, are kept in fine travelling condition for Carriages and Vehicles of every description. In a word, no Institution in the South-west can be more favorably located as regards Health, beauty of Natural Scenery, Morality, and Intelligence.

MODE OF INSTRUCTION

The method of Instruction adopted in this Institution is based upon the broad principle that Women have the same faculties as Men, and are capable of the same studies, culture, and acquirements. We deny that there is any material dissimilarity in the essential elements of character between man and woman, and maintain that the original and distinctive attributes of the Mind and Spirit are the same in both.

Revelation, Nature, and Reason all deny distinction in the fundamental character of the Soul. Where, then, is the power to absolve Society from its obligations to bestow upon Women, the first teachers of Mankind, that Education which is so necessary to the proper discharge of their mission on earth? Entertaining these views, we therefore endeavor to cultivate and strengthen the judgement and reason by the best methods of analytical discussion and classification adopted in the best Male Institutions of the Country.

In the Recitation Room every effort is made to excite an interest in investigation; the pupils are encouraged to ask questions, and to state difficulties which may have occurred to them, and the questions asked by the Teacher have mainly in view the direction of the attention to points of the greatest difficulty or importance. In all cases the principal aim of the Instructor is to lead the pupils to think for themselves; and as much assistance as is necessary to avoid discouragement is cheerfully extended to them, but no more. By this course, they may be brought to bear, with delight to themselves, the severest mental efforts and discipline, and ever after will pursue with pleasure any subject whatever requiring persevering investigation.

GOVERNMENT.

In the Government of a School there can be no doubt that moral influences should be chiefly relied upon, and that pupils should be led to attend to duties by a feeling of affection, rather than a fear of censure or punishment. As far as practicable, a plan of Self-government should be introduced, efforts should be made to implant elevated sentiments in the minds of the pupils, to induce them to do right for the sake of RIGHT, and to avoid wrong because it is wrong. In this, as in everything else relating to the Government and Discipline of a School, much will depend upon the skill and moral qualifications of the Teachers: by proper management, the approbation of the Pupils in favor of the Rules can generally be secured, and they can be induced to yield obedience from a conviction that the general good requires it. In establishing Rules, however, care should be taken that none be made that are not to be rigidly enforced, and no violation should be suffered to pass unnoticed. We also believe it to be the duty of Parents to sustain and assist us in the maintenance of good order and discipline. It is, perhaps, impossible to pursue such a course in reference to pupils that perfect satisfaction will always be given to them; the necessary restraints of the School-room are so contrasted with the liberty enjoyed at home, that to some the mildest measures seem harsh, and those rules which are necessary to preserve order and attention appear to them unnecessary and tyrannical; consequently, representations are sometimes made which are calculated to produce unfavorable impressions. In all such cases, we wish none to patronize us who cannot repose the most implicit confidence in the institution and its Officers, and feel satisfied that nothing has been done, or would be done, which duty or propriety did not require.

ATTENDANCE.

The attendance during the past year has generally been very regular. However, there have been a few exceptions, and the result has been sensibly felt in every class in which the absentees were members. We would earnestly urge upon the attention of Parents and Guardians the irreparable loss occasioned by even the shortest absence. The want of punctuality is the most serious obstacle in the prosperous and successful management of any Institution; without punctual and regular attendance, there can be no decided and continued advancement in the Pupil, or uniform Classification on the part of the Teacher. Therefore we call upon the Patrons of the Institution to exercise the utmost vigilance in this particular, as no discipline will prevent irregular attendance half so well as their sustaining help. Young Ladies should not be withdrawn from the School-room for a single day, except in cases of the most positive emergency. We are fully aware of the tenderness of Parents, and their disposition to yield to the caprices and pleasures, not to say whims, of their children, but such a course inevitably results in the permanent injury of the Child. And hereafter it will be a settled rule of this Institution to tolerate no absence whatever unless a just and sufficient excuse be rendered for it.

DEPARTMENT OF MUSIC

This Department is supplied with accomplished Lady Teachers, of undoubted qualifications in their profession. They have had many years' experience, and have never failed to give complete satisfaction. The rapid advancement of their Pupils, however, is sufficient guaranty of their ability to impart instruction, without any further commendation from us.

The Pianos -- eleven in number -- are all new, from the best manufacturing establishments in the Union, and are kept constantly in good order.

DRAWING, PAINTING, ETC.

The talented Instructress in this Department has given every evidence of her entire fitness for the position she occupies. Her instruction is so imparted as to cultivate a refined taste and judgement, and give a correct appreciation of the beauties of Nature and the utility of Art.

MODERN LANGUAGES.

We have been exceedingly fortunate in securing the services of a highly educated and accomplished French Lady in this Department; consequently, the facilities for acquiring a correct and thorough knowledge of the French Language, particularly here, are equalled by few Institutions in the country, and surpassed by none.

SEMI-SESSIONAL REPORTS.

We have adopted the method of keeping our Patrons regularly informed of the progress of their children in their respective studies by means of Printed Reports. These Reports are forwarded twice every Session, and show the standing and deportment, personal habits, and scholarship of each Pupil, having been compiled from a daily record, which is a correct and faithful report of every day's proceedings. We think this method well calculated to inspire each pupil with a laudable ambition to excel in every proper respect.

RELIGIOUS INSTRUCTION

The system of instruction is based upon high-toned Christian Principles throughout. The Academy is opened every morning by religious services, and all the Pupils are required to participate, but the form peculiar to no sect is used. The Pupils of the School are expected to attend Church at least once on the Sabbath, unless otherwise excused; and those boarding at the Academy are required to attend that particular Church to which they belong, or to which their Parents belong. There can never be any deviation from this rule unless by special request. In addition, the President has formed a Bible-Class of all the Boarding Pupils, which class reads every Sabbath afternoon, after which a Lecture suited to the Chapters read is delivered. In the meantime, permit us to say, that such Doctrinal Points as are at issue between the different denominations are not touched upon in these Lectures, but are left to their legitimate field -- THE PULPIT.

COMMENCEMENT, EXAMINATIONS, VACATIONS.

The Commencement will take place on the last Thursday in June, in each year, hereafter. The Academy will open on the first Monday of September, and the Classes will then be formed. There is a recess of a week during Christmas. During the last week of January and June there will be an Examination of all the Classes. Vacation will continue from June until September.

OPENING OF NEXT SESSION.

The next Session will open on the first Monday of September. It is desirable that all applications for admission shall be made on or before that date.

CHEMICAL AND PHILOSOPHICAL APPARATUS

We are pleased to inform the Public that measures are now on foot to have this very important department of study receive that amount of attention in our School which its merits everywhere demand.

We confidently expect, by the opening of our next Session, to have a Chemical and Philosophical Apparatus second to none in any other Southern Femal College.

FURTHER PARTICULARS.

The Tuition and half the Board-Bill payable at the beginning of each Session. No deduction made for absence of Pupils, unless in cases of protracted illness, or by special agreement.

CONCLUSION.

Notwithstanding the present Academy Buildings are very large and commodious, we are happy to state that the success of the School has been so unprecedented as to render it necessary to make still larger additions; and, doubtless, before this Catalogue reaches our Patrons at a distance, the ring of the artisan's hammer will be heard upon the proposed improvements.

All necessary excavations have been made for the basement, and in less than a week the energetic contractors for the brickwork will take hold of the job.

The proposed Building will be one hundred and ten feet by forty-eight feet, and three stories high, with an attic, having dormer windows. The style of architecture will be new and imposing.

The chief feature of this Building will be an immense Hall capable of accommodating more than Four Hundred Young Ladies at their Desks. Arrangements are now maturing to have this superb addition supplied with every thing requisite to ease and elegance in Female Schools.

And just here it may not be inappropriate to add that imperishable honors are due the Rev. A. Mizell, of the Tennessee Annual Conference of the Methodist Episcopal Church, South, for his untiring zeal and most remarkable success, within the past two or three years, in securing by joint-stock contributions an amount of funds sufficient to erect the present imposing pile of Buildings, in connection with the proposed improvements.

May his shadow never grow less.

ADDENDA

II. The occupants of each room will have their names arranged in alphabetical order on a card placed in a conspicuous part of the room. THE YATES FAMILY

Contributed by Henry L. (Pete) Kinnison, Lubbock, Texas. This sketch was written by his grandmother, Nettie Browning Danforth Kinnison in 1925. Mary Jane Yates was his grandmother's mother.

The Yates family were of English origin. The American branch came to Virginia in Colonial days. They were gentle-folk, land owners, had a crest and coat of arms. The first of the name in Virginia of whom we have positive data is said to have married a sister of Lord Baltimore. They has a son George, who married and had a son George, who married and had a son John. We have further data on these three Georges, but have not yet verified it to our complete satisfaction, so I shall begin with:

John Yates who married Elizabeth Gaines, probably in October or November 1772. They were married in Culpepper (now Rappahannock) County, Virginia and lived there for several years. Indeed, some of their children were born in Virginia. Several years prior to 1815, they moved from Culpepper County, Virginia, to Adair (now Metcalf) County, Kentucky. Their old house in Adair County, near Gradyville, was standing in 1887. They had the following children:

1. George Yates, born in Virginia, 2 Jul 1773, married in 1793 to Elizabeth (Betsy) Browning who was born 24 Jul 1774. She was a daughter of Captain Charles Browning

and his wife, Mary Wade Strother.

2. Francis Yates, born in Virginia, 1779. Twice married:
1st. to (Peggy?) Hughes in 1798
2nd. to Susan Wood
3. James Gaines Yates, born in Culpepper County, Virginia 5 Feb 1781, died in Montgomery County, Tennessee 28 Jul 1845. At the age of twenty, he married on 24 Dec 1801, Mary Malinda (Polly) Browning, born in Culpeper County, Virginia 1786; died in Montgomery County, Tennessee 17 Oct 1836. She was a daughter of Captain Charles Browning and his wife, Mary Wade Strother. She was born, reared and married on her father's estate, "Greenfield".
4. John Yates, married Malinda Mitchell.
5. Sallie Yates married Peter Estes in 1792.
6. Mary (Polly) Yates, married Francis Strother Browning in 1802. He was a son of Captain Charles Browning and his wife Mary Wade Strother.
7. Elizabeth Yates, married William Wallace in 1806.

James Gaines Yates, who was born in Culpeper County, Virginia, 5 Feb 1781, was married before his parents moved to Kentucky, but he and his family later followed and settled in Kentucky near his parents where most of James Gaines Yates' children were born. Again James Gaines Yates moved his family, this time to Clarksville, Tennessee, not far from Nashville, and very near to a small town called Port Royal. His wife Mary Malinda died in Tennessee 17 Oct 1836, about 50 years of age. He married a second time.

He was a Colonel of the Middle Division of the Tennessee State Militia with headquarters at Nashville. He was known as Colonel James Gaines Yates. He died in Clarksville, Tennessee 28 Jul 1845 at about 65 years of age. He was buried on his farm near Port Royal, Tennessee.

(Ed. note--This stone was still standing in 1968 when copied for Vol. I, Cemeteries Montgomery County, Tennessee. Darnell copied 25 July. There were only two stones visible at this date.)

The following is a list of the children of James and Mary Malinda Yates:

1. Malinda M. S., born 11 Nov 1802, married Benjamin Childress.
2. Charles Wesley, born 18 Dec. 1804. Died 19 Mar 1837
3. John M., born 3 Oct 1806, married Malinda Royce 14 Feb 1828
4. James L., born 9 Sept 1808, died 11 Jun 1833

5. Willis Browning, born in Gradyville, Kentucky, on 10 Jun 1810. Married to Mary Jane Amanda Ellen Poor on 10 Dec 1840 in Logan County, Kentucky. He died in Montgomery County, Tennessee on 13 Jan 1848 and was buried by the side of his father in Port Royal, Tennessee.
6. Joseph Arthur, born 18 Sep 1812, married 30 Nov 1837 to Margaret Jane Johnson. They had a daughter, Ellen.
7. Casandra A., born 1 Nov 1814, married 28 Mar 1834 to George W. Childress, who was born 25 Dec 1814.
8. Mary Anne Morrison, born 1 Aug 1817, married 1 Jan 1836 to James F. Watwood.
9. Sarah Enfield, born 1 Aug 1817, married 16 Mar 1835 to George Watwood.
10. Caroline S., born 20 Jan 1820, died 5 Aug 1826.
11. Elizabeth Gaines, born 13 Feb 1822, married John Newman. (Ed. note: the only other stone in the Yates cemetery is Almira J. Newman Aug 10, 1844 - April 11, 1845, dau of Elizabeth G. and John Newman)
12. Almira, born 13 Apr 1824, married Uriah Jack Holland on 13 Jun 1843.

Willis Browning Yates, who was born in Gradyville, Kentucky, on 10 Jun 1810, was named for his mother's brother, who was then living at the old home place in Virginia, "Greenfield" in Culpeper County. He as a grandson of Captain Charles Browning, who was the son of Francis Browning, Jr., who was a son of Francis Browning, Sr., who was a son of John Browning, Jr., who was a son of John Browning, Sr., who was a son of William Browning, who was a son of John Browning, Captain of the good ship "Abigail". This Captain John Browning was born in England about 1599 and came to Virginia when he was about 22 years old....

On 10 Dec 1840, Willis B. Yates married Amanda Poor who was born about 1823 in Christian County, Kentucky. She was a daughter of James Poor and his wife Jane Gill (Clinton) Poor. Amanda Poor Yates died in Scott County, Missouri on 16 Apr 1860. They had the following children:

1. James Oscar, born 27 Nov 1841 and died 18 Aug 1893.
2. Mary Jane, born in Montgomery County, Tennessee on 23 June 1843. Later, she went with her widowed mother and maternal grand-parents to Mississippi County, Missouri. On 26 Sept 1860, she married Lewis William Danforth of Henderson Co., Kentucky. She died in Charleston, Missouri 2 May 1914.
3. Cordelia Frances, born in Montgomery County, Tennessee on 3 Jun 1845, married in Charleston, Missouri on 3 Sep 1865 to Henry Clay Underwood of Louisville, Kentucky. She died in Atlanta, Georgia, on 3 Aug 1923.

4. Ophelia Browning Yates, born in Tennessee 18 Aug 1846, married in Charleston, Missouri on 9 May 1876 to James Quisenbury Jenkins, who was born in Kentucky. She died in St. Louis, Missouri on 8 Dec 1901.

The widowed Amanda Poor Yates married in Scott County, Missouri, James P. Russell, an uncle of Congressman J. J. Russell. He lived but a short time. Later she married Dr. Gist of Scott County, Missouri. She was buried in the family burying ground on her father's farm near Charleston, Missouri.

Her father, James Poor was born in Goochland County, Virginia, about 1797 and removed to Logan County, Kentucky, with his older brother, Dewey Woodson Poor. He was married about 1816 to Jane Gill Clinton who survived him many years. He died in Mississippi County, Missouri on 15 Mar 1857.

Captain Charles Browning had a brother who was Captain John Browning. They were with Washington in Valley Forge. There were five Browning brothers in the Continental Army.

This John Browning married Elizabeth (Betsy) Strother who was a sister of the wife of Charles Browning.

Captain John Browning and his wife has a daughter named Mary Wade Browning who was sometimes called "Polly" and sometimes called "Mollie". She was a double first cousin to Mary Malinda Browning. Mary Wade Browning was born 9 May 1776 and was married 25 Dec 1800 to George Yates. They had children, among whom were:

Anne Bradley Yates, born 15 Dec 1805 in Culpeper County, Virginia. On 25 Dec 1828, she married Elija Yates (probably her cousin). She died 27 Feb. 1870 in Kentucky. Her youngest child was Warner Weston Yates, born 17 Feb 1850, married 5 Dec. 1858 (sic) (Ed. this is certainly an error)

of the debt in the declaration mentioned & assess the plaintiffs damages by reason of the detention thereof to Two Hundred Dollars. Therefore it is considered by the Court that the plaintiff recover against the defendant his debt & damages as assessed by the Jury & also the costs about his suit in this behalf expended.

* as the plaintiff by replying hath alledged & they do further say that the plaintiff at the commencement of this suit was justly indebted to the Defendant to the amount of the said debt as the defendant in his pleading hath alledged. (this evidently was meant to be inserted in the above statement. There is a smear that could be a mark for insertion after Thirty Cents--last line on previous page.) Execution stayed by the plaintiff untill next term.

FIFTH JUDICIAL CIRCUIT COURT RECORDS 1816 - 1826

(Original located in manuscript section of Tennessee State Library and Archives, Nashville, Tennessee. These records are also on micro-film in the county records.)

(p 11) July Term 1817.

Pleas before the Honorable John Haywood, Archibald Roane & Robert Whyte Judges of the Supreme Court of Errors & Appeals of the State of Tennessee in the Fifth Judicial Circuit of said State at the Court House in the Town of Charlotte in the County of Dickson on the fourth Monday in July 1817 and in the 42nd year of American Independance.

Be it remembered that heretofore to wit on the 1st July in the year 1815 was filed in the Clerk of this Court a Bill in Equity which Bill is in the words & figures following, viz:Humbly complaining sheweth unto your Honors, your oratrix Jane Vernon Hampton Fort daughter of James Fort in the County of Montgomery & State of Tennessee an infant under the age of Twenty One years, by her father & next friend. That John Hampton late of the County of Caroline in the State of Virginia being possessed of a very considerable real & personal estate did on or about the 29th day of April in the year of our Lord One Thousand Eight Hundred and One duly make and publish his last Will and Testament in writing & thereby amongst other things devised and bequeathed as follows " It is my desire that the whole of my estate both real & personal be publickly sold at the descretion of my executor, and the money arising, therefrom, to be divided as hereafter described" "Thirdly I give to my son George Hampton's children one Sixth part of my estate to be equally divided between the, but in case wither of them die before they come to lawful age or married my desire is that their part be equally divided among their surviving Brethren, this which I give them and their heirs forever." And that upon or soon after the death of said Testator, to wit, on or about the 12th July 1803 William Barnes?, Samuel Coleman & John Coleman three of the Executors named in said Will duly proved the same in the Court held for the County of Caroline in the State of Virginia & took upon themselves the burthen of the Execution thereof & in pursuance thereof did sell all the real & personal estate of which said Testator died possessed or seized. The produce of which sale amounted to some where about the sum of Thirty Six Thousand, two hundred & fifty dollars.

And your orator further sheweth, that the said George Hampton's Children in said last will & testament mentioned were seven in number to wit: Fanny, the wife of William R. Gibson; Susanna, the wife of Johnathon Johnston; Nancy the wife of William Trigg; John Hampton, Abner V. Hampton; Mary G. Hampton since dead unmarried, under the age of Twenty One years; and Jane Vernon Fort, the mother of your Oratrix, since dead, also after marriage with James Fort, the father of your Oratrix. Your Oratrix further shews that before the death of the said Mary G. Hampton, which happened about the 13th day of September 1811 and Mary N. Hampton mother of the said Mary G. Hampton was duly appointed her guardian and acted as such and as guardian of the said Mary G. received from the Executor of the said last will & testament the said Mary G's share of the said (--) part of said estate amounting to about the sum of Eight hundred & sixty two dollars and ninety cents. Your oratrix further represents that her mother, Jane Vernon Fort survived the said Mary G. Hampton, her sister, about two hours & then died leaving your oratrix her only child & entitled

under provisions of said Will before cited to one Sixth part of the said sum of money received by the said Mary G's guardian from said executors under the appointment of said Will. And further this Oratrix shews that since the death of the said Mary G. Hampton, the guardian Mary N. Hampton has deceased & that the said last mentioned sum of money by some unfair means came to the hands and possession of William R. Gibson & Fanny his wife; Johnathon Johnston & Susanna, his wife; William Trigg & Nancy his wife; John Hampton & Abner V. Hampton sometime about the 15th February 1815? and your Oratrix has by her Father & next friend several times since said money has come to the possession of said person last mentioned, all of whom your Oratrix prays may be made defendant to this bill, applied to them to have their portion of said legacy under said Will paid or? secured to be paid for the benefit of your oratrix, and your Oratrix had well hoped that the said William R. Gibson & Fanny, his wife; Johnathon Johnston & Susanna his wife; William Trigg and Nancy his wife, John Hampton & Abner V. Hampton would have complied therewith without suit, as in conscience and equity they ought to have done.

But now so it is may it please your Honors that the said William R. Gibson & Fanny his wife; Johathan Johnson and Susanna his wife; William Trigg and Nancy, his wife; John Hampton & Abner V. Hampton combining and confederating with divers other persons to Your oratrix unknown, but whom when discovered she prays may be made defendants with apt works etc. to injure and appress your oratrix do now absolutely refuse to pay or secure? to your oratrix the payment of her portion of said legacy aforesaid under various frivolous and groundless pretences, all of which actings and doings are contrary to equity & good conscience and lead to the manifest injury and appression of your Oratrix.

In tender consideration wherof and for that your oratrix is remedilessexcept in Court of Equity.....and that they may be compelled by a decree...to pay your Oratrix's portion of said Legacy with Interest, and that your oratrix may have such other and further relief ..as the nature of this case may require, & as to your Honor shall seem most; May it please your Honor the premises considered to grant to your Oratrix the states most gracious writ of Subpoena directed to the said William R. Gibson & Fanny his wife, and their confederates Brown Sol. for Complainant.

And on the 26th January 1816 the Defendants filed their answer as follows to wit: The answer of Jonathan Johnson and Susanna, his wife; William Trigg and Nancy his wife; John Hampton & Abner V. Hampton; William R. Gibson and Fanny his wife defendants to the Bill of Complaint of Jane Vernon Hampton Fort daughter of James Fort by her Father and next friend, Complainant against William R. Gibson and Fanny his wife...(etc)..... These Defendants each answering for himself and not one for another saith to wit, It is true that John Hampton mentioned in the Complainants Bill of Complaint died about the time stated in said Bill, that he left a will containing the following clause.."It is my desire that the whole of my estate both real and personal be publicly sold at the discretion of my executors and the money arising therefrom to be divided as hereafter directed. Thirdly I give to my son George Hampton's children one Sixth part of my estate to be equally divided between them, but in case either of them die before they come to lawful age or are married my desire

is that their part be equally divided among their surviving Brethern the which I give them and their heirs forever." Then defendants admit the proof of said will in the County Court of Caroline and State of Virginia and also that the persons mentioned in said Bill took upon themselves the execution of said Will....sold estate ..the sum mentioned in Bill. Admit..children of George were seven in number... (as named before). Mary G. Hampton died under the age of Twenty one years and unmarried. Jane Vernon Fort the mother of the Complainant is also dead. These Respondants do deny that the said Jean Vernon Fort did survive the said Mary G. Hampton, but departed this life before her, that these Respondants have obtained a distribution of the Legacy to which the said Mary G. Hampton was entitled without making any allowance for Jane Wernon Fort not receiving her entitled as she did not survive the said Mary G. Hampton.....pray to be dismissed etc.

This day being the 23rd day of January in the year of our Lord 1816, Fanny Gibson one of the Defendants to the within mentioned Bill & wife of Wm. R. Gibson, another def. came before me a Justice of the Peace for Montgomery County & made oath ahat all such facts are stated in the foregoing answer as of her own knowledge are true and all other facts therein stated she believes to be true.... J. Woolfolk JP.

A like certificate bearing date the 24th of the same month & year aforesaid stating the same facts on oath of Susanna Johnson wife of Jonathon Johnson...signed J. Woolfolk JP

A like certificate bearing the date 23rd of the same month & year... stating the same facts on the oath of Nancy Trigg wife of William Trigg....signed J. Woolfolk JP.

A like certificate bearing the date 23rd of the same month & year aforesaid stating the same facts on the oath of Jnothon Johnson, William Trigg, John Hampton, William R. Gibson & Abner V. Hampton... signed J. Woolfolk JP. Replic. filed Friday morning August 1st 1817.

This day came on this cause to be heard, and was accordingly heard, before the Honorable Archibald Roane & Robert Whyte Esquires Judges etc. on the Bill &it appearing to the Court from the evidence that Mary G. Hampton died on the 13th September 1811 under the age of twenty one years and unmarried and that the mother of the complainant and wife of James Fort & sister of the said Mary G. was at the death of the said Mary G. a Femme Covant and survived the said Mary G. a few hours and that the legacy mentioned in the Will of John Hampton deceased vested in the said complainant's mother in her life time, and on her death went to her said husband James Fort as administrator of his wife and not to the complainant. The Court therefore think fit to order adjudge and decree and do order adjudge and decree that the complainant's said bill be dismissed. And it is further ordered adjudged and decreed that each party pay their own cost including the attornies. The costs on the part of the Complainant to be paid by James Fort, her next friend.
