AN IMPORTANT MESSAGE FROM THE EDITOR

First, I want to thank all of you who have written to encourage me to keep on with this publication. Your patience and understanding about the late issues and unanswered mail is greatly appreciated. I knew going back to school would mean extra work, but not in my wildest dreams did I realize JUST HOW MUCH extra work was involved. I have had to go back to "burning the midnight oil"...infact, several nights it was long past midnight when I finally gave up and went to bed. (I'm getting too old for this!!!)

There are two problems which need to be considered in regard to continued publication of this quarterly. The first, of course, is my time. I will begin to write my thesis this quarter, which will mean time spent in research and writing. By my own standards I can not be happy with a publication that is always late. Four deadlines during the next year is just too much to have to face considering everything else that must be done.

The second problem, and perhaps more important than the first, is cost. With the two recent increases in postage rates, and the increases in printing costs, the current subscription rate is not sufficient to cover the cost of publishing and mailing the quarterly. As I have said before, I do not intend to become independently wealthy with this quarterly, but on the other hand, I can't afford to lose money! After consideration of a suggestion which came from several of you, I am at this point considering an ANNUAL publication. This will save several dollars on the postage alone. I believe we can have the same number, if not more, pages with little or no increase in price. If it were possible time-wise to continue as a quarterly, there would have to be a substantial increase in price.

So, for the current year (September 1981-June 1982) The Montgomery County Genealogical Journal will be issued as an annual publication SOMETIMES AFTER SCHOOL IS OUT NEXT SUMMER. You will be notified when it is ready for mailing and its cost. If my time schedule is less hectic by next September, and printing costs and postage rates are more stable, we shall reconsider the possibility of publication as a quarterly.

Those of you who sent your checks for the current year will find them attached to this page.

Again I want to thank you all for your support.

Jesse Martin, dec'd - commissioner's report - Montgomery County, Tenn. Will Bk. D:177. January Term 1823 by John Martin and Elijah Martin. Taken 7 April 1823. Mentions accounts on: Marable & King, John H. Poston, John Nebletts, Absalom Williams, C. Johnson, Samuel Creath, H. & J. McClure, Jashad Kerchivals, Richard Dolep, John Bumpass, Thomas Orgain, Benjamin Orgain, B. & H. Nebletts, James Elders, Robert Richardson, Carr Johnson, A. Vance. Parcel of land sold to Daniel Rook.

Note: Since Jesse Martin's will stated that his wife, Francis, was to have use of the land during her lifetime, the sale of a parcel of land to Daniel Rook again indicates the strong possibility that Frances Martin was deceased by this time.

Jesse Martin - account of sale - Montgomery County, Tennessee Will Bk. D:399. An account of articles sold as the property of Sally Martin and Lucy Martin, by John Martin and Elijah Martin, executors. Total \$74.32. Purchasers: Andrew Hayle, James Good, Wm. Hubbard, Benjamin Cocke, John Taggert, John Pippis, Jas. Gainer, Jas. H. Roberts, Moses Collier, Perk Robinson, John Neblett, Jr., George Todd, John Cocke.

Note: At the death of Francis Martin, the household furniture was to be equally divided between daughters, Sally, Lucy, and Mary. Mary is not mentioned in the estate sale, and no further record has been found of any of the three daughters.

Jesse Martin, dec'd - commissioner's report - Montgomery Will Bk.
E:253. 12 January 1828. By Ambrose Martin, guardian of Jesse Martin, Jr. Mentions accounts on Geo. B. Nelson, H. & J. McClure, David Lynch, Carter Morris, and John Martin.

Note: This is the last commissioners report on Jesse Martin's estate. It is believed that Jesse Martin, Jr. became of age in 1827 or 1828, making his birth date between 1806-1808.

Jesse Martin - genealogical notes from a manuscript collection owned by the author. For purposes of analysis several of the dates have been estimated.

Jesse Martin born about 1760 in Halifax County, North Carolina, son of William Martin whose will was proved in Halifax County in 1800. He was married to Francis Corlew, daughter of John Corlew of Halifax. Jesse Martin died in 1820 in Montgomery County, Tennessee. His wife, Francis was born about 1763, probably in Halifax, and died about 1821 in Montgomery County, Tennessee. Their children were:

John, born about 1784, married Mary Neblett, daughter of John, 6 September 1808.

Patsy, born about 1786, married William Hubbard about 1806. She had children before 1815 who mentioned in Jesse Martin's will, although not named.

Nancy, born about 1789, married John Bumpass before 1815 and had known children, Kinchen, Joseph, Henry, John and Samuel. John Bumpass died in 1836 and Nancy in 1837. John's estate was divided among eight heirs, so there are apparently three more children, one of them possibly married to Carter Morris.

Elijah, born about 1790, married (1) Rebecca Harris, daughter of Abner Harris, about 1810. Their children were: Archibald, Susanna, John, Elizabeth, Louisa, Rebecca. (2) Elizabeth Powers 16 December 1840 and had Elijah H. who probably died young after 1850. Elijah and Elizabeth were both still living in 1870. There may have been other children by Rebecca.

Salle, born about 1792, probably deceased in 1823.

William, born 14 November 1795, married Susannah Harris, daughter of Abner Harris, in September 1818. Their children and other descendants are named in an earlier issue of the Montgomery County Genealogical Journal.

Thomas, born about 1799, married Sally C. _____ about 1830, lived in Montgomery County in 1850.

Lucy, born about 1803, believed died about 1823.

Joseph, born about 1806, married Statera W. Adams 27 December 1828, moved to Haywood County, Tennessee.

Jesse, born about 1807, married about 1826, may have died about 1840 near Hustburg, Humphries county, Tennessee.

Mary, born about 1811, died young.

Jesse Martin was son of William Martin who died in 1800 in Halifax County, North Carolina. The following children were named in his will: Jesse, John, Thomas, Ambrose, James, William, dead in 1800, Lucy, Elizabeth, Pegge, (married Shelley or Kelley), Mary Ann, also married to Shelley or Kelley. The will also mentions sons of Jesse's brother, William, William III, and James. No wife was named.

William Martin was son of Thomas Martin, whose will was recorded in Halifax County, North Carolina in 1760, naming children, William, Mary Brewer, Thomas Martin, and Anny Wood. His wife was not named. He is possibly the Thomas Martin who lived very early in old Chowan Precinct, North Carolina.

Jesse Martin and his wife Francis sold their land in Halifax County, North Carolina, and, with a number of friends and relatives, moved to Montgomery County, Tennessee in 1799.
